

ATV 15w/40 Motor Oil

Extreme Condition performance: Maintains proper lubrication to protect engines under extreme farm conditions.

Minimal Wear:

Increased anti wear agents minimize wear, wet clutch protection, smooth shifting plus excellent protection of wet clutch.

Corrosion protection:

Advanced additives help protect against water, deposits and other corrosive materials to keep engines clean.

APPLICATIONS:

Meets and exceeds API Classification SL, SJ, SH, SG/CF

Where a MIL-L-46152C oil is recommended.

In all gasoline engines where API SL performance is required.

BENEFITS:

Meets API SH requirements for engine wear and deposit control.

Excellent protection in all seasons.

Improves oil consumption control and provides longer engine life.

Provides protection against foam, rust and corrosion.

TYPICAL PROPERTIES:

SAE Grade	15/40
@ 40c, cSt	103.6
@ 100c, cSt	12.5
Viscosity Index	122
Pour Point c	-24
Flash Point c	230
