K.O. Degreaser

K.O Degreaser is a specially formulated heavy duty cleaner for the speedy and convenient removal of a wide range of contaminants such as oil, dirt, dust, grease, exhaust stains, ink and carbon deposits.

K.O Degreaser contains potassium hydroxide and is not recommended for use on reactive metals.

K.O Degreaser is a pinkish-purple liquid, which is used through a wide range of industries.

Directions for Use:

K.O Degreaser should be diluted 1:10 with water for normal use, however, for extra light jobs, K.O Degreaser may be diluted 1:20 parts with water.

Precautions: Avoid contact with skin and eyes and avoid inhaling fumes. If contact occurs, rinse off with copious amounts of water. Prolonged contact with undiluted product may cause defatting of tissue. Read M.S.D.S before use.
