Product Data Sheet - 10w/30 Multifleet Engine Oil

DESCRIPTION

Aegis Oil 10w/30 Multifleet Engine Oil is a high performance Mid-SAPS engine oil for modern light diesel & most petrol engines including turbo charged. Because of its outstanding additive technology it also comes up to the most severe requirements of petrol engines. This makes it being an excellent provider for mixed-fleets.

APPLICATION

10w/30 Multifleet Engine Oil is especially recommended for fleets operating in severe on and off-highway service applications.

BENEFITS

- Excellent thermal/oxidative stability reduces sludge built-up and deposits.
- Allows maximum oil drain intervals by highest TBN-reserve.
- Minimises efficiently bore polishing.
- Reduces oil aging, even at high temperatures.
- Best seal and elastomer compatibility.
- An all-seasons oil.

SPECIFICATION

Meets the following performance levels:

ACEA A3/B3-04,A3/B4-04,C3-08,A1,A5,C2
API SL/SM/CF
MB-page P229-51 P229.31
VW 502-505

TYPICAL CHARACTERISTICS

SAE Grade	10w/30
Kinematic Viscosity @ 40°C, cSt	59.2
Kinematic Viscosity @ 100°C, cSt	10.1
Viscosity Index	143
Pour Point, °C	-30
Flash Point, °C	213

These characteristics are typical values and do not represent a specification.
